Brine Gravel Roads

The Recommendation for treatment will be the same roadways as year 2016 unless additions or deletions are requested. The final decision must be submitted in writing.

Proposed Road program is subject to change.

As you know, there may be cross culverts which will need to be replaced due to structure failure/age, with pending spring weather. Thank you for your time. As always, if you have any concerns or questions, please contact me at (989) 737-3250.

Sincerely,
Joseph Popp
