**Thank you for your quote request.** You'll quickly see the tremendous impact that Cartridge World - Midland can have on your bottom line. Plus, you'll get the peace of mind that you're working with a local office printing expert who cares about your success. That means we'll soon know your team on a first-name basis. We'll understand your printing needs, the frequency you need supplies, payment terms and more. And all Cartridge World - Midland products are backed by our **100% guarantee**. What else can we do to make your office printing hassle-free? Just let us know!

Hi Corey.. Thank you for your time. I have quoted the high yield for your M252, as we only do them as the high yield. We offer free delivery from our Bay Road location to the Birch Run area. These are all NEW BUILD cartridges, not re manufactured. I will do a follow up call in a few days to verify you received this. Thanks again.  
 Ted Eastling
